

## Unique URL for Product Sharing

We have previously announced that every Cosway member is provided a unique URL link to your Cosway website page with your member ID for easy recruitment and network growth.

You can now use this URL to share our exciting products with your prospects simply by adding the product code ([www.cosway.com.my/my/{Your ID}/{Product Code}](http://www.cosway.com.my/my/{Your ID}/{Product Code})).

For example, if your **member ID number is S123456** and you would like to share the L'élan Vital Overnight Miracle Do-it-yourself Microfiller (**product code: 93261**) with your prospect, your URL quick link to Cosway website page will be [www.cosway.com.my/my/S123456/93261](http://www.cosway.com.my/my/S123456/93261).

Below are the simple illustrative steps:-

**Step 1:** You must be logged in using your member ID and password.

**Step 2:** Go to the product page, select the product which you want to recommend to your contacts and click on the “Share” button.

**Step 3:** Copy the URL link and send to your contacts through emails or social media messaging apps.

It is that simple! So start sharing to everyone and see your earnings grow from your online sales.

Thank you.
